

Welcome to our world of

FREE THINKING

A true HOWE solution always enhances the architecture and optimises the surrounding space for years to come, resulting in positive experiences for architects, customers and the people who live in and work with our designs. Challenge us. Be demanding.

This is what we call FREE THINKING.
Welcome to our world...

FINISH SELECTION 2011 USA

CUSTOMMADE SOLUTIONS

Challenge us. Be demanding. HOWE has always been more than ready to address the challenges faced by architects and other partners. We share their ambitions... and we go to great lengths to meet their wishes for customised interiors through design adjustments, the use of new materials or simply producing a particular chair in a special colour. Please contact us and let's join forces and explore new grounds.
