

Usu is value for money. It is the obvious choice for the price conscious customer who is still requiring simple aesthetics, space-saving attributes and ease of handling. It is developed for multi-usage canteen and training areas. The concealed castor solution adds even more to the ease of handling. The chair hanger system can be retrofitted. The legs are folded in pairs by a simple and secure spring-handle and the sub frame can be used as carriage handle. The table's simple and elegant aesthetics make it compatible with other furniture styles.

Easy handling - 5 tables stacked easily on longside on table transporter.

TESTING AND WARRANTY

The Usu table has been subjected to the DS/EN 15372:2008, level 3 table strength and durability test. The table passed without damages or signs of beginning damages.
