Elegantly twisted aluminum armrests – powder-coated black optional

Also available with upholstered or veneer armrest pads

Height adjustable
450-540 mm / 17,7-21,3" *

Cantilever base is stackable up to 5 chairs

Natural and controlled back flexure

Waterfall front for ergonomic seating

Hard plastic glides for soft floors. Optional felt glides for hard floors

Frame in chrome3 (the most environmental friendly chrome solution) or powder coated finish

MN1 is a chair intended for many different settings and with the exposed veneer back frame MN1 offers new design opportunities in harmony with tables. The chair is FSC® C041311 certified and the back frame comes in oak and black stained oak. The honest choice of an exposed veneer back frame gives MN1 a distinct identity. Designed by Morten Nikolajsen.

Whenever comfort, classis lines, and functionality are vital, the MN1 chair is the obvious choice. MN1 is ideal for a wide range of uses; seminar and conference rooms, meeting rooms as well as auditoria.

TESTING AND WARRANTY

- MN1 is designed for severe contract use.
- The chair passed testing according to the required EN and BIFMA standards.
- MN1 carries the HOWE 5 year warranty.
