

USU®

Stackability: 10 rectangular tables on a transporter / any number of tables on the floor

Round tube leg with castors, incl. bearings with locking mechanism

Round tube leg with adjustable glides, incl. bearings with locking mechanism

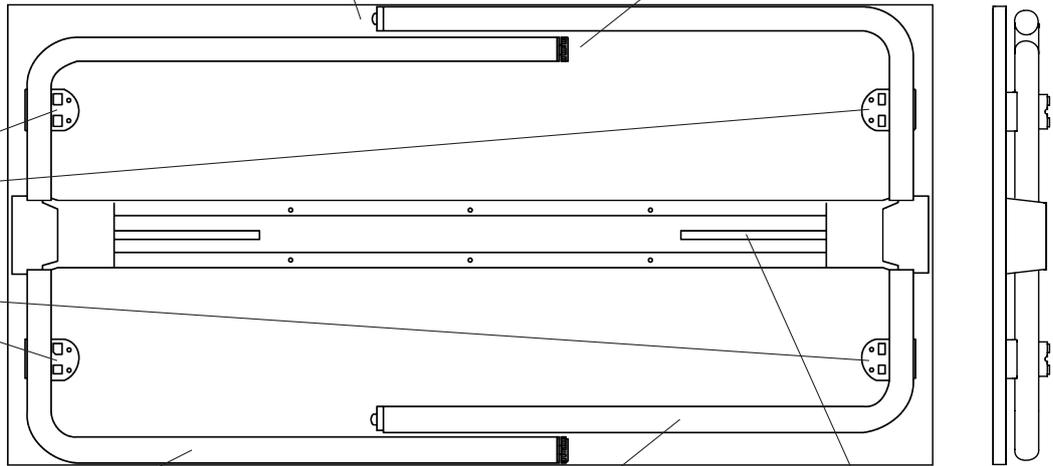

Straight, ABS matching edge

Integrated stacking towers allow both horizontal and vertical stacking

Frame in chrome3 (the most environmental friendly chrome solution) or powder coated finish

Round, bended base combining flexibility with stability, and giving modern, aesthetic look

Simple and intuitive folding mechanism. It folds flat within a height of only 72 mm / 2.8"

Usu is value for money. It is the obvious choice for the price conscious customer who is still requiring simple aesthetics, space-saving attributes and ease of handling. It is developed for multi-usage canteen and training areas. Solid in use, Usu is quick and intuitive to fold. One person can easily fold the table and handle it without effort. It folds flat, and stacks neatly on a transporter, therefore works perfectly whenever quick and easy refurbish is needed.

The table's simple and elegant aesthetics make it compatible with other furniture styles.

TESTING AND WARRANTY

- Usu is designed for severe contract use.
- The table passed testing according to the required EN and BIFMA standards.
- Usu carries the HOWE 5 year warranty.
