RECRAFTED

LONGEVITY = SUSTAINABILITY

# REFRESH. RESTORE. REFURBISH. KEEP YOUR 40/4 CHAIRS IN MOTION

Sustainability isn't just about using eco-friendly materials - it's about making products last. The longer we use a piece of furniture, the greater its environmental value. That's why HOWE's 40/4 chair, designed by David Rowland, is built to stand the test of time. And now, with our refurbishment program, you can extend its life even further.

## REFURBISH INSTEAD OF REPLACING

For decades, 40/4 chairs have furnished universities, public offices, and places of worship, proving their durability and timeless appeal. However, after years of heavy use, they might need some revitalization.

Instead of discarding them, why not restore them? Our refurbishment service, available through HOWE and our authorized dealers worldwide, brings your chairs back to peak condition - ready for many more years of service.

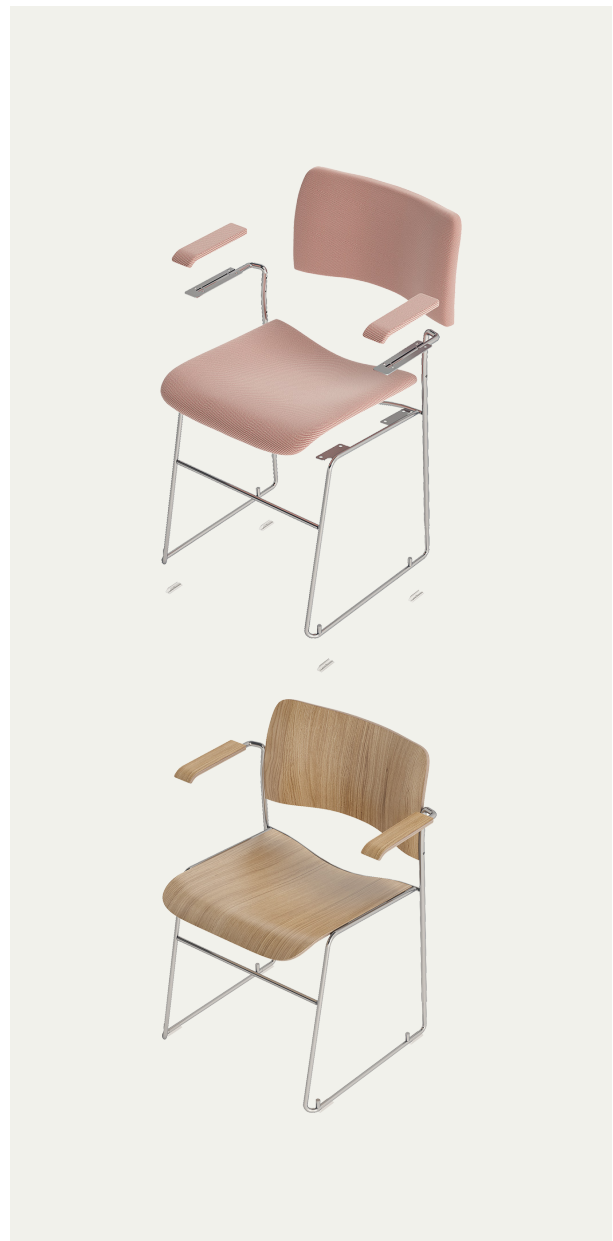

### SIMPLE REFURBISHMENT, SIGNIFICANT IMPACT

Thanks to its straightforward construction and modular design, the 40/4 chair is easy to refurbish.

Key consumable updates include:

- Replacing **seat shells, glides, and armrests** to restore comfort and stability.
- Polishing or repainting **frames** to revive their original brilliance or align with your updated design scheme.
- **Reupholstering options** to customise the look and feel in line with your evolving interior design.

This isn't second-hand furniture - it's revitalised, sustainable quality, backed by the original manufacturer's expertise and guarantee.

### ECONOMIC & ENVIRONMENTAL VALUE

Refurbishing your 40/4 chairs is not just an environmentally conscious decision - it's a financially smart one.

Instead of investing in entirely new furniture, you can save significantly while maintaining the same premium seating experience. Plus, by choosing refurbishment over replacement, you contribute to a circular economy, reducing landfill waste and minimizing your carbon footprint.

### GUARANTEED TO LAST

At HOWE, we stand by the longevity of our products. That's why professional refurbishment carried out by us comes with a **10-year warranty** - ensuring your chairs remain functional, stylish, and sustainable for years to come.

Ready to extend the life of your chairs?

Contact your local HOWE dealer to explore the best refurbishment options and prolong the life of your 40/4 chairs today.

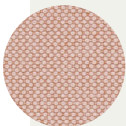

Sustainability, quality, and cost-effectiveness - everything you need, all in one chair.

## 4 SIMPLE STEPS TO REVITALISE YOUR 40/4 CHAIRS:

### 1. CONTACT HOWE

Reach out to your HOWE representative to explore refurbishment options tailored to your needs.

### 2. CUSTOMIZE YOUR CHAIRS

Select replacement parts for self-assembly or opt for full refurbishment handled by HOWE or our authorised partners.

### 3. RENEW & RESTORE

Receive new components for installation or have your chairs professionally restored with the HOWE quality guarantee.

### 4. ENJOY LIKE-NEW QUALITY

Your 40/4 chairs are refreshed, and ready for continued use.
