HOWE

PRODUCT DESCRIPTION

DESIGNED BY JOHN BOLLEN 2000

SIMPLA®

Simpla is a four-legged, lightweight table system with a 'lift off' top and a unique flat folding frame, folding within its own length. It is intended for use in training, meeting and conference environments. The separate top and frame elements make the setting up and storing away an easy process even for just one person, probably the trainer him or herself! The folded frame has a thickness of only 80 mm, and with the purpose designed trolley, 8 tables can be wheeled away for storing thereby saving valuable space. Simpla won a Best of NeoCon award in 2001.

DESCRIPTION

Two-piece table with flat folding frame and lift-off top intended for use in training, meeting, conference and lounge environments.

PRODUCT DETAILS

TABLETOPS

VENEER VERSION

Natural wood veneer or stained wood veneer.
0,6 mm knife-cut sanded veneer on both sides.
Total thickness of 18 mm.

1200 x 600 mm	1500 x 750 mm
1400 x 700 mm	1600 x 800 mm
1500 x 750 mm	
1600 x 800 mm	SQUARES: 750 x 750 mm
1800 x 900 mm	
	ROUNDS:
HALF ROUNDS:	Ø1050 mm
1400 x 700 mm	Ø1200 mm
1500 x 750 mm	
1600 x 800 mm	

WEIGHT

1400 x 700 mm table, MDF with laminate, ABS edge and chrome base weighs 24,3 kg.

1400 x 700 mm tabletop in laminate and ABS edge weighs 13,8 kg.

ACCESSORIES

MODESTY PANEL WITH INTEGRATED CABLE MANAGEMENT in perforated steel, 1 mm gauge. "Hang-on" design - to be mounted or demounted on table base without need for screws. Powder coated according to selected base finish or in white. Height 250 mm, length to follow table length. Base is stackable on table transporter with modesty panel attached.

LINKING BRACKETS in U-profile style to be placed on base. No use of tooling or screws. Bracket always in chrome. Steel 40 x 40 x 3 mm gauge. When stored, the brackets nests on the base. Two brackets are recommended per table.

ELECTRIFICATION SOLUTIONS - please see HOWE price list.

TABLE TRANSPORTER made of Ø38 x 1,5 mm gauge steel frame. Bed fitted with rubber mat for anti-slide and edge protection. Powder coated in Howe grey colour. Secure strap to hold tabletops. Stores up to 8 tables, adjustable sizes, 1000-1800 mm. Height: 1900 mm. Height: 1900 mm, depth: 840 mm, width: 900 mm to 1500 mm. Goes through a normal doorway.

ERGONOMICS & ENVIRONMENT

Due to the two-piece construction of the Simpla table, it is easy to manage for one person. No heavy lifts are required. All parts of the table can be dismantled and recycled.

TESTS

The table is designed for severe contract use and has been subject to a variety of tests to ensure its highest quality and durability.

The furniture is tested by third-party organizations and passed testing according to the required EN and BIFMA standards, staying also in line with strict emission regulations.

All the certificates are available for access and download [here](#).

WARRANTIES

HOWE a/s gives a 5 years guarantee on all Simpla tables against weld breakages, defective material, workmanship and performance under normal use.

For full information please see the warranty provision on howe.com.

AWARDS

Simpla won silver medal in Best of NeoCon in 2001.
