HOWE

PRODUCT ENVIRONMENTAL PROFILE REPORT

FACTOR

The Factor conference table offers a combination of modern design and customizable features, making it suitable for dynamic conference, meeting, and co-working spaces. Its clean edges and versatile configurations ensure compatibility with various conference room layouts, while high-quality materials guarantee durability and refined style.

FEATURES

<https://www.howe.com/moving-sustainability>

SUPPLIERS

HOWE works closely together with our suppliers to continuously reduce our products' impact on the environment. HOWE is thus setting high environmental demands for both HOWE and our suppliers to comply with.

FSC®

All versions of Factor are available as FSC® C041311 certified – the guarantee that the wood origins from forests that have been managed in an environmentally-friendly, socially responsible and economically viable manner.

DESIGN FOR DISASSEMBLY

It is a fact that products assembled with complex assemblies or requiring multiple tools are not likely to be repaired or recycled. Therefore, Factor is cleverly designed to be easily disassembled by the use of a few handtools only.

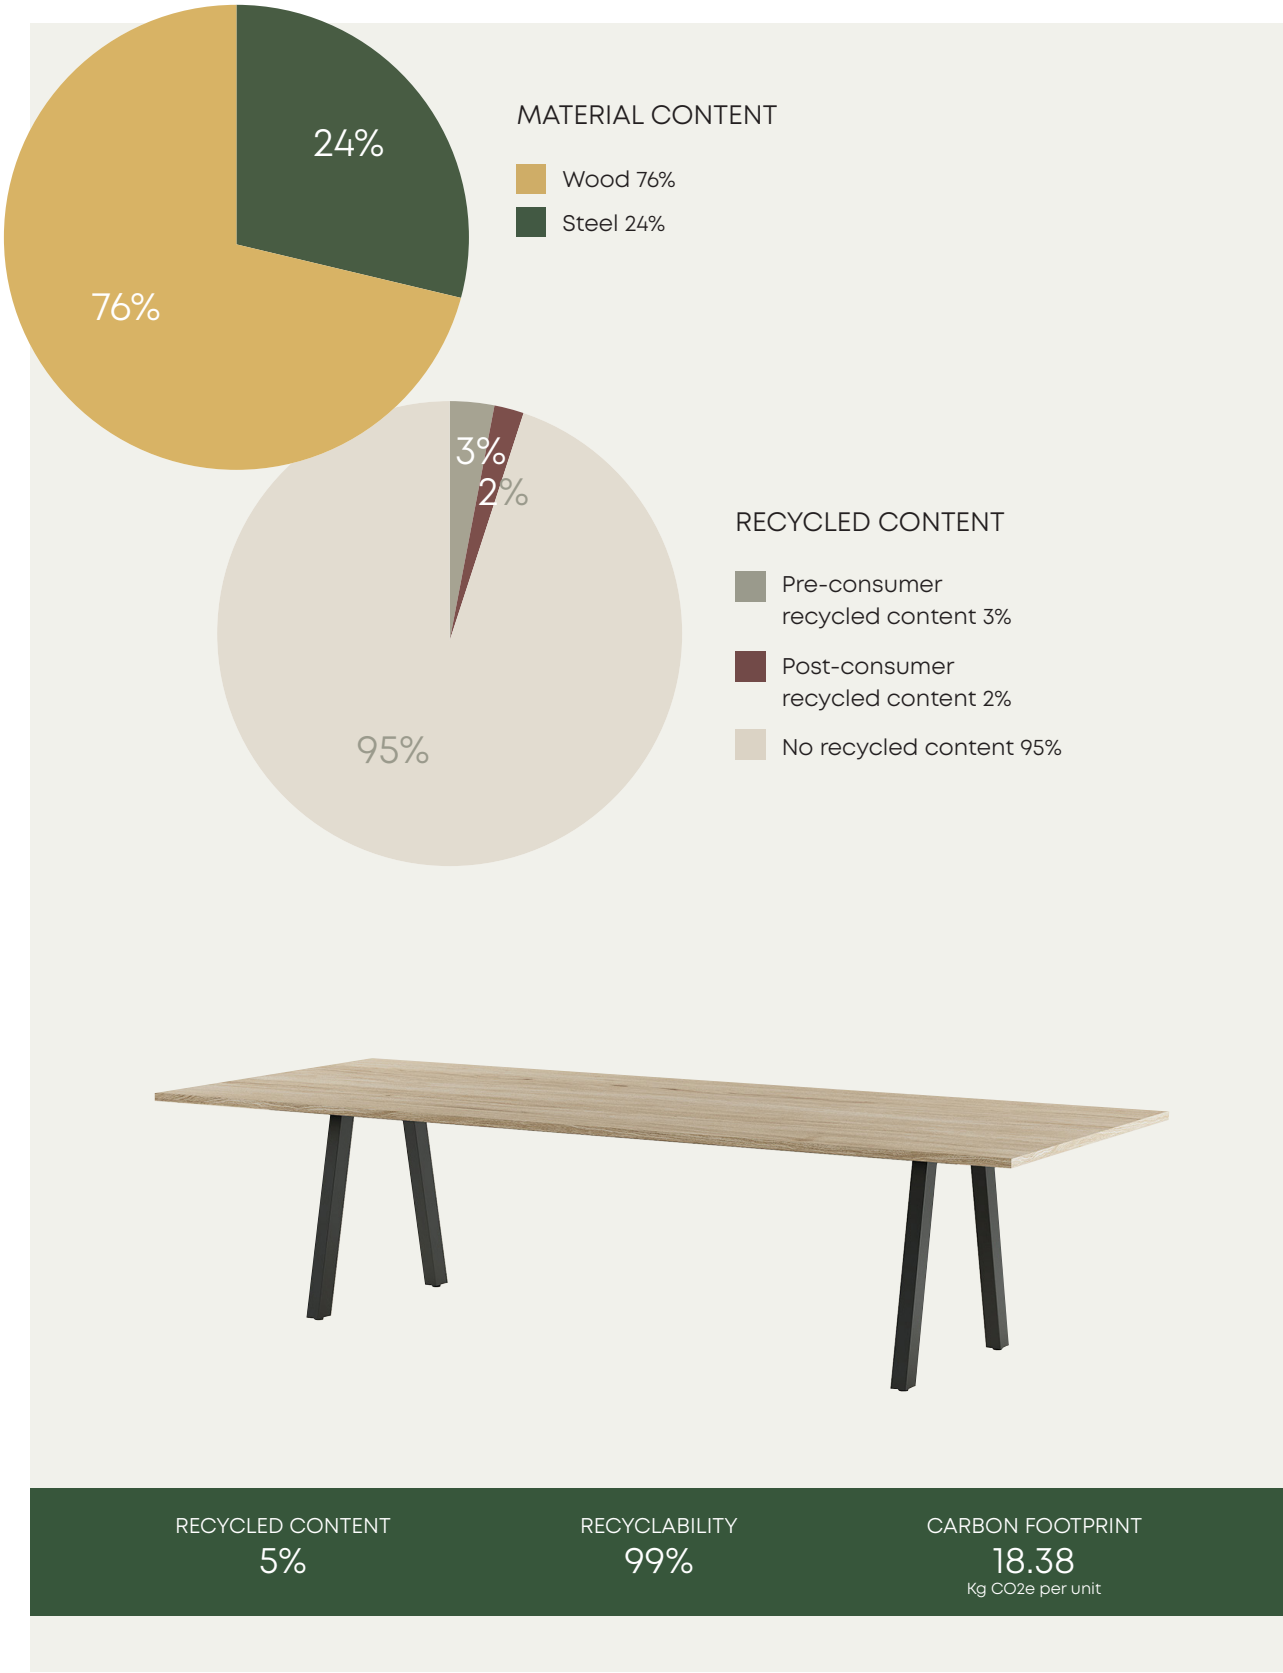

A SUSTAINABLE FRAME

Factor table base is 100% recyclable at the end of the product's life.

DID YOU KNOW THAT...

- Factor is 99% recyclable at the end of the product's life?
- Factor contains no PVC?
- Factor is part of our TakeBack Option and can be returned to HOWE after its useful life?
- Factor is a combination of timeless and durable design?
- Factor is cost efficient and replacements of components are easily manageable?
- Factor is designed for easy disassembly?
- Factor carries the Nordic Swan Ecolabel?
- Factor has a 5-year warranty?

This report summarizes HOWE's internal LCA results for the Factor table. It is not a PEP ecopassport® or verified EPD. For a verified EPD (if available), see the [International EPD Library](#) or request verification documentation.
