AS series

A New Sense of Mobility

Smart, harmonious, space-saving, and cleverly flexible...
The AS Series of nesting chairs and tables leaves room for all imaginable purposes.

Masterminded by award-winning designer Andreas Störiko, the idea of the series is that you are free to rearrange furniture and settings in any possible way.

With the AS100 chairs and the AS400 + AS500 tables at the ready, you can transform a workspace to a conference room or to a dining room and back again in moments – with unmatched rearranging ease.

The AS series simply allows for operational efficiency and a new sense of mobility every day.

Moving Sustainability

At HOWE we believe good design is design that moves you – just as we believe good design contributes to a more sustainable future.

The AS Series is FSC-certified, and its production complies with HOWE's comprehensive code of conduct for sustainability.

Content is subject to ongoing changes and adjustments of products.
